Gene,

Are you and Don available at that date and time to discuss the NPS Management Plan update—specifically public participation in the development?

Karen,

Do you want to discuss the recent letter sent by the Agencies on the Jan 30 deadline or anything else related to Oregon CZARA?

Subject: Canceled: OR CZARA and TMDL litigation meetings - 1st and 3rd Wednesdays

When: Wednesday, July 02, 2014 10:00 AM-11:00 AM (UTC-08:00) Pacific Time (US & Canada).

Where: Conference call TBD

Hi Everyone - I have a conflict tomorrow so am canceling our TMDL and CZARA check-in meeting on Wednesday 10-11AM. Just a brief update, as you all may know, the court officially extended the briefing schedule with the first date being in late September for NWEA to brief. We're waiting for a letter from NWEA in response to Kent's call with Brian, but haven't gotten anything yet. Gene, I may give you a call about some funding questions, some partially related to the TMDL litigation.

Re: CZARA, I'll speak for Jayne to let you know that EPA and NOAA have sent a letter to Dick Pedersen or it will be sent very soon. Jayne, feel free to let the group know of any updates on that.

Lastly, Gene, just FYI that Jayne and Martha were interested in talking with you on the NPS Plan, and I let them know that I was canceling this meeting, so they may be trying to schedule this time with you.

If any of you have questions or wanted to talk about anything on OR TMDL litigation, feel free to give me a call.

Thanks,

Jenny
